Taxpayer's Name \_\_\_\_\_

You should have the agency initial each of your detail pages in addition to obtaining a dated receipt from them. It would be a good idea to take pictures of the items and volume of your donations.

**Donations totalling \$250.00 OR MORE to any one organization in a year requires a receipt.**

**Please total all pages prior to your tax appointment.**

*Any items not detailed on this worksheet or that were especially expensive when new, please note on separate paper and we can help you find the values when you come in.*

You can go to "<http://www.goodwillwm.org/donate/donation-calculator>" and find a donation calculator. You can enter your totals and it will do the math for you. Please print out the sheets.
