Please put down the answer, not applicable or none. If you need more room please attach a separate piece of paper and number your answers according to the question.

- A **TOTAL INCOME FOR BUSINESS** - whether paid by check or cash. Report only what you received in 2014. If the work was done in 2014 but you were not paid until 2014, then that is 2014 income. If you are reporting your income on the accrual basis we also need to know your accounts receivable at 12/31/13 and 12/31/14.
- B **EXPENSES**
- 1 **If you want us to do your W-2s and/or 1099s we need the information by January 19, 2015. These statements must be mailed by you to the recipients by January 31, 2015.**
  - 2 Advertising—business cards and stationary , uniforms—shirts - hats, team sponsors.

The IRS says that individual business owners can not take a business deduction for donations they make - however if you get **recognition in writing** for your donation (such as a published list of thank yous to sponsors, a listing in a program etc) than that qualifies as advertising and you can get a tax deduction for that type of donation.
