MORE QUESTIONS ON OTHER SIDE
Help us save a tree, please bring this Checkoff with you

If you always travel to the same locations, we need to use the per diem for those locations, so we will need the number of nights per location (i.e. if you always go from Portland, Maine to Atlantic City, New Jersey).

- 12 Office Expenses - envelopes, paper, pens, office supplies, postage, business bank fees, comchek fees, money order fees, publications, etc.
- 13 Outside Labor or lumpers - the amount you paid people who were not on your payroll to help you in your business. The IRS strongly suggests giving 1099s to all employees, regardless of how much you paid them, in order to protect your tax deduction. You should have the person make out a W-9 statement. If you need some, we can give them to you.
- 14 Truck/tractor washes
- 15 Uniforms - cost of buying or renting. Also, maintenance and cleaning.
- 16 Repairs - to all of your business equipment, whether it's office equipment, tractor, trailer forklift, TV, CB radio, refrigerator, microwave, etc.

You can no longer deduct long distance calls on your land line. If you have 2 phone lines into your home (one of them can be a cell phone), then you can pick one to be your business phone (for tax purposes) and the other will be personal. If you have a cellular phone you may deduct 100% of the cost if it is used 100% for your business, otherwise you will only be able to deduct the business percentage.
- 21 Travel for Business Purposes - airfare, motel, meals (must be listed separately), tolls, parking, etc. Mileage for your business on your personal vehicle is \$.58. Car rental and gas, taxi cabs, commuter buses, and shuttles. We also need all mileage per vehicle, excise, and interest paid.
